

FOR IMMEDIATE RELEASE

**ANTON/BAUER GETS SUPERCHARGED AT NAB 2009
WITH NATIONAL UNVEILING OF SPS-150™**

New Product Boosts Power Supply of Today's Video Cameras

LAS VEGAS, NV, April 20, 2009 – Anton/Bauer, a brand of The Vitec Group, and the world's premier provider of professional camera batteries, chargers, lighting and other mobile power systems, is proud to introduce the **SPS-150™** 150-watt power supply, designed to meet the high-power needs of today's video cameras, at NAB 2009 (Booth C6021).

"We are always looking to develop products that are ultra-reliable and address the ever changing needs of today's broadcast and production industry," says Michael Accardi, president of Anton/Bauer. "The SPS-150 is built from the ground up in order to provide adequate power to today's professional camera systems."

The SPS-150 features a 15-volt output which provides 150-watts of power with a 10-amp maximum via two 4-pin XLR connectors. With a total weight of 2.85 lbs (1.29 kg), the SPS-150's physical build consists of a compact design with a diameter of 3.36" x 4.63" x 7.59" (8.53 cm x 11.76 cm x 19.28 cm). In addition, the unit features a resettable 10-amp breaker for maximum protection and continued service and has an AC input range of 90 to 250 volts, accommodating both 50 and 60 cycle systems. Capable of attaching to any Anton/Bauer Gold Mount camera mount, power is automatically supplied to the camera without the need of an ON/OFF switch.

ABOUT ANTON/BAUER

Anton/Bauer is recognized as the world's innovator and premier provider of batteries, chargers, lighting and other key mobile power systems for the professional broadcast, video and film industries. Based in the United States in Shelton, CT with offices in Europe and Asia, Anton/Bauer was established in 1970 and has expanded its product offerings to include many signature lines such as its leading Gold Mount® system, InterActive® chargers and Logic Series® batteries such as the HyTRON® 50, 100 and 140, and Dionic® 90, 160 and HC. Their products are compatible with virtually every camera brand on the market today. Other Anton/Bauer high performance products include the Ultralight®, ElipZ®, ElightZ®, CINE-VCLX® and CINE VCLX/2®. Their superior-quality products have become an industry standard.
