

## 26V Gold Mount Plus Dual Mounting Plate (SkyPanel S-60C / S-30C)

SKU: 8075-0256

## PRODUCT DESCRIPTION

Power ARRI S-60C and S-30C LED panels with Dionic 26V mobile power solutions for mobile lighting without the cords. The ARRI LED Gold Mount Plus Dual Battery Mounting Plate allows two Dionic 26V batteries to attach directly to ARRI S-60C or S-30C LED panels, enabling hours, not minutes of runtime. Hot-swap batteries, to deliver a continuous portable power supply so you're never left in the dark. Equipped with XLR4 output, it plugs directly into ARRI SkyPanel LED panels.
