# Gold Mount Battery Bracket Panasonic (GH3, GH4, GH5, GH5S, G9)

**SKU:** 8075-0319

## PRODUCT DESCRIPTION

Gold Mount battery plate with a Panasonic GH3 / GH4 / GH5 DC connector and two P-Taps to power camera accessories. An integrated regulator in the plate provides the correct voltage to the camera.

Cable exits the right side of the plate allowing neat looping and insertion into the camera. The 16” cable length minimizes cable excess while still being able to reach positions further away from the camera as necessary.

---

For an adjustable mount system, use the Universal Mounting Plate for rail mounted cameras – MATRIX Cheese Plate
