

HyTRON 140

SKU: 8675-0079

Logic Series Nickel Metal Hydride DIGITAL
Battery, 14.4 volts, 140 watt hours

PRODUCT DESCRIPTION

This high power NiMH battery system is ideally suited to the power demands of today's high definition equipment and on-camera lighting systems. In lower power applications, it can provide power for many hours without limits or travel restrictions. The HyTRON 100/140 also offer an excellent counterbalance to offset the weight of a lens.

With the transition to HD cameras, the HyTRON 140 typically provides up to four hours of run-time with a single battery.

To find out about battery run-time based on your camera model please e-mail servicesupport@vitecgroup.com

TECHNICAL SPECIFICATIONS

Range	Hytron
Height	13.8 cm 5.43 in
Width	12.1 cm 4.76 in
Depth	74 mm 2.91 in
Weight	2.495 kg 5.5 lb
Mount Type	Gold Mount
Chemistry	Nickel Metal Hydride
Voltage	14.4 V
Capacity	140 Wh
Power Tap	No
Max Current	12 Amps
USB	No
Warranty	2 Year
