

Low Mode V-Mount Battery Bracket Adapter

SKU: 8075-0293

PRODUCT DESCRIPTION

Low Mode V-Mount Adapter for the RED DSMC2 V-Lock Expander Module lowers the position of a brick battery to allow taller batteries like RED Bricks and Blueshape to be installed when using the DSMC2 handles. Includes two P-Taps for accessory power. The assembly will attach without tools directly to the back of the RED's V-Lock Expander Module or the Element Technica V-Mount Module.

The Low Mode Adapter will pass through percentage data to the camera's LCD display when present.

Compatible with RED DSMC2 Brains (Monstro, Helium, Gemini), Weapon, Epic Weapon (Epic-W), Scarlet Weapon (Scarlet-W), Raven, and other DSMC2 cameras.
