

P-Tap Charger

SKU: 8475-0142

Charging 14V batteries when you are out on the go

PRODUCT DESCRIPTION

The Anton/Bauer P-Tap charger is the perfect solution for charging 14V batteries when you are out on the go. The charger slips easily into your pocket or backpack - no need to carry a V-Mount or Gold Mount charger – simply plug the lightweight charger into an Anton/Bauer or other P-Tap charge compatible battery for a boost of power, perfect for adventurous filmmaking where each ounce counts.

- Charge Anton/Bauer and other compatible batteries via P-Tap
- 16.7VDC 1.5A output
- 100 to 240 VAC input
- Charge V-Mount or Gold-Mount batteries
- Red/Green LED Charge Indicator
- US, UK and EU Plugs included

Lightweight, compact travel charger

The go-anywhere charger

The Anton/Bauer P-Tap Charger fits into your pocket, backpack or any equipment case to provide convenient charging without compromising on performance, perfect for travelling when weight matters and space is at a premium. The P-Tap charger fully charges most 10A videographer batteries in approximately six hours to keep your story moving.

Compatible with global standards.

The charger that loves to travel

The Anton/Bauer P-Tap charger delivers consistent high-performance battery charging whether you are at home or anywhere else in the world. US, EU and UK power outlet adapters are included enabling you to safely charge your batteries in most countries without the need for extra international travel plug adapters or power transformers.
