Gold Mount with clamp to mount to lighting stands

PRODUCT DESCRIPTION

The QRC-LG Gold Mount® provides flexibility and added convenience to the Litepanels® Sola ENG Flight Kit. Integrated into the Gold Mount design is the Manfrotto™ Mini Clamp which allows the QRC-LG to be mounted to a variety of lighting stands. The QRC-LG has three PowerTap® outputs giving the entire Sola ENG Flight Kit the ability to be powered from one Anton/Bauer Logic Series® Battery, making the QRC-LG a truly portable lighting system.
